Level 2 Drafter/Designer

JOB TITLE:

Level 2 Drafter/Designer

DEPARTMENT:

R&D 5001068

REPORTS TO:

Sr. Manager Engineering

RESPONSIBLE FOR:

Product Development

SUMMARY OF JOB FUNCTION:

Candidate will be an active participant within an R&D engineering group and will be expected to support the team with new product development, product release, as well as maintaining existing product manufacturing lines.

KEY RESPONSIBILITIES:

Utilizing CAD software, candidate will be expected to efficiently create and modify detail drawings from existing models, or assemblies. Candidate will also be responsible for some light modeling of simple components and assemblies, as well as actively participating in design reviews.

JOB CHALLENGES

Position will require supporting multiple parallel projects and will require the candidate to accurately estimate the time necessary to complete individual tasks.

MINIMUM REQUIREMENTS and QUALIFICATIONS:

QUALIFICATIONS: 2 year degree or equivalent in engineering sciences or a CAD certificate from a technical trade school.

KNOWLEDGE/SKILLS: Ideal candidate must be capable of creating accurate and complete detail drawings suitable for fabrication. Candidate must be experienced with and operate within ANSI drafting standards and practices including generating drawing layouts, accurate component tolerancing, calculating fits for mating components, and will require moderate knowledge of GD&T. Candidate will be asked to perform light modeling and assembly generation as well as checking existing drawings for accuracy.

Position will require some level of document control support (generating new drawing numbers, processing ECO's, generating BOM's etc.) for existing engineering staff.

EXPERIENCE: Minimum 1-2 years of Solidworks (or equivalent) CAD detailing or design work ideally for product manufacturing.

PERSONAL REQUIREMENTS:

Candidate should have strong communication skills and be ready to work in a diverse, cutting edge team environment. Requires efficient work on multiple tasks. Flexibility and willingness to learn are highly desirable.

MISCELLANEOUS (e.g. Shift-working):

The opening is for day shift.

Oclaro Inc. is an Equal Opportunities Employer.
